SUMMARY

Looking for opportunity in the field of Computer Science. I love problem solving. I am hard working, love to code person. I am a quick learner and love to learn new technology. I am eager to contribute my expertise in web development. Currently, I'm working Web development.

SKILL HIGHLIGHTS

Expertise:

C, C++, Javascript, python, HTML5, CSS3, Tailwind, Bootstrap5, ES6, RestApi, React.js, React Router, React hooks.

Comfortable:

Node.js, MongoDB, Firebase, Material.UI, Express.js, Data structure and Algorithm

Familiar:

My SQL, Graphics Design, Java

Toots:

Visual Studio Code, Code Blocks, Github, Pycharm

Office Tools:

Microsoft Office, Google(Docs, Sheets, Slides)

Problem Solving:

Beecrowd (100+ problems solve)

EDUCATION

Bachelor of Computer Science Engineering Daffodil International University CGPA: 3.56	2020-2024
BAF Shaheen college, Jashore GPA: 4.08	2017-2019
Pragpur High School, Kushtia GPA: 4.64	2015-2017

PROJECT

Green Tour Live Website

Overview:

Services website and includes customer reviews, customer review is editable and deleted.

Technology used: HTML5, CSS3, Tailwind, DaisyUI, React.js, React router, Firebase Authentication, MongoDB, Node.js, Express.js.

Chest X-ray Abnormalities Detection Using Deep Learning

Overview:

Chest X-ray is particularly convolutional neural networks (CNNs), has emerged as a powerful approach to automatically detect abnormalities in CXR images, enhancing diagnostic accuracy and efficiency.

Technology used: Deeping Learning

Language:

Bangla (Mother Tongue)

English (Comfortable)

PERSONAL INFORMATION

Name : Istiak Ahamed

Fathers Name : MD. Mamnur Rashid

Mothers Name : MST. Jannatun Arzo

Nationality : Bangladeshi

Date of Birth : 25-05-2001

Blood Group : A+

Marital Status : Single

Permanent Address: Vill- Tentulbaria, Post- Polashipara, P.S- Gangni, Dist- Meherpur

SIGNATURE

Istiak Ahamed
